I just fell into a deep sleep

I was able to sleep just like that, in truth, how long as it been since I was able to sleep like this...

So deeply...

When I get stronger so will I

I'll jump right out this house

Just like that swallow

Swallows are able to fly freely and elegantly in the sky

More
I
The things I wanted to remember and the memories I'm reminded by ....
Is not the same me as that time

I was also severely abused by keito constantly
Also
You are equally responsible for what happened as well
Men are easily enticed and incited by their desires... Especially when you're exposing your breasts with a mini dress like that

Weren't you saying "Please violate me"
In fact, you enjoyed getting fucked by a hard dick, wasn't that your true intentions?
No

This is what you asked for right!!

I see
I see…from a woman's perspective it must've been hard to talk about
After thoroughly listening to everything …
It was like being raped twice wasn't it
Moreover
You and him…It might be hard to talk about it since Keito and Yazaki norikazu san have a good relationship
!
Oh I'm sorry, I over examined the situation when it doesn't even concern me
It's just the relationship between a senior and junior student from same musical department of Fujitaka Academy 19th graduates in the Shizuoka prefecture would make great news for publishers.

Without telling anyone she carries the burden all by herself

Ehh

To talk with Kawarasaki-san, a woman I didn't know very well

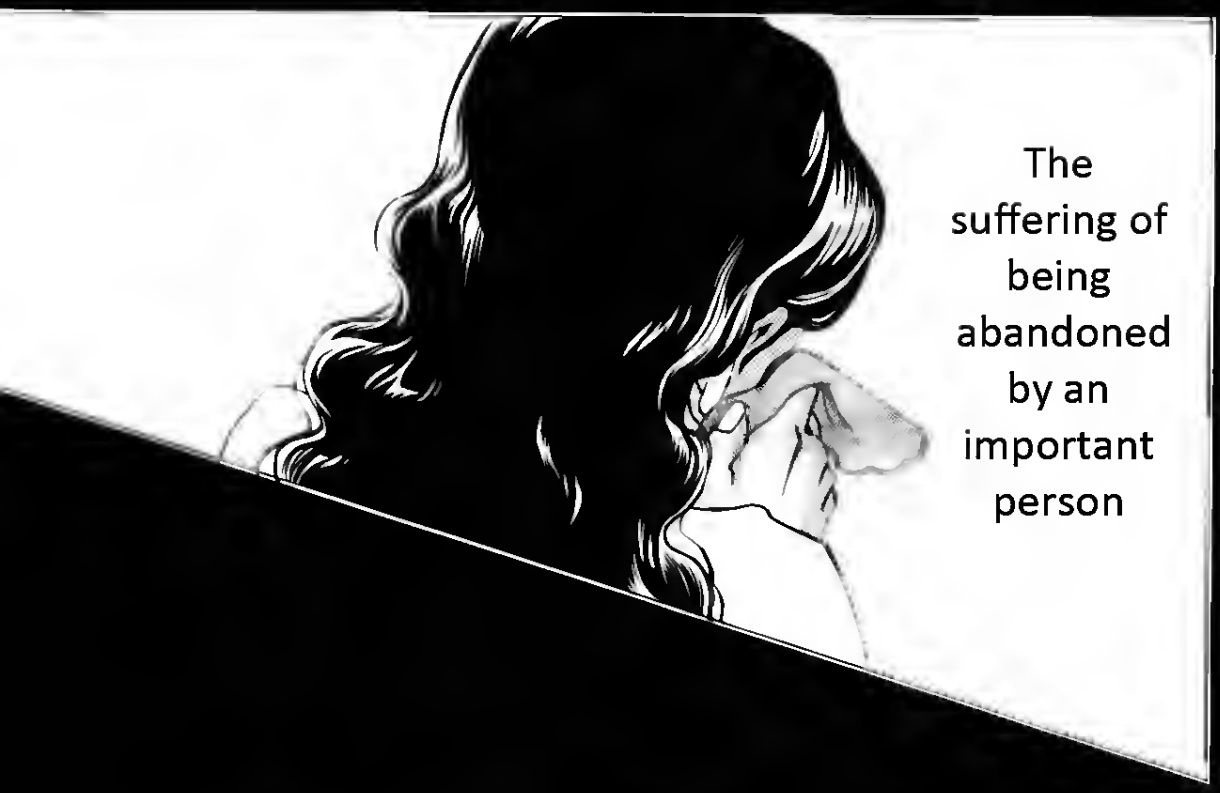
By singing this song
Even though I know these feeling will never reach you I still have faith
Never forget me ...
Always remember me ...

Mama
The thing that frightens me the most is being erased from Yazaki Senpai's memories
Why didn't you come back for me?
Why? Have you completely forgotten me?



The suffering of being abandoned by an important person

I don't want to taste it anymore

I see... Anyways yuuka-san
